

LACKFORD SNW

We have 18 members for Lackford which is disappointing as I would have thought the Neighbourhood Watch scheme would attract more members.

However the monthly SNW newsletter is sent to everybody via the Lackford blog so at least the village can see what is going on.

I have had very few calls regarding problems in the village and I think we are very lucky to have such a low crime rate.

I have signed up for the Suffolk Police information service and will keep everybody informed if anything local is of interest.

Note:- there are a couple of Text and Email scams going on at present that trading standards have made us aware of

1; TV licencing, criminals are targeting people saying that there TV licence has run out and to click the link to renew DO NOT CLICK THIS LINK.

Please report this to report@phishing.gov.uk

2: Beware of these scam Census text messages.

These texts have been sent by criminals who have created the fake website to look similar to the genuine Census website, with the same branding, layout and font choices. The website asks you for personal information, including financial information.

DO NOT CLICK ON THE LINK. Please report to Citizens advice Customer Service 08082231133
